## Wants Plan For Caravan Park

Cr. H. Weaver last week asked Altona's City Engineer, Mr. R. Simmons, to prepare a sketch plan for a caravan park in the vicinity of the western end of the Apex Park — an area now used as a tip.

Cr. W. L. J. Crofts said he felt the whole beachfront — from the Williamstown boundary to the Werribee boundary — should be looked at as an overall plan.

"I feel Cr. Weaver's move could be a bit premature," said Cr. P. A. Burns. "The area will have to be filled, then consolidated."

Mr. Simmons said this would take "a few years."

## PRICE DROP

Altona Council has accepted a quotation from Albion Reid Pty. Ltd. for the supply of laying of bituminous concrete in the Altona Meadows private street scheme.

The quotation — \$10.65 per ton — is 45 cents per ton less than the Council's current contract.

## Appointed

Mr. W. G. West, of Railway Avenue, Laverton, has been appointed Engineering Assistant with Altona Council.

## Honour For Mayor

The Mayor of Altona, Cr. P. A. Burns was presented with a Life Governor's Certificate by Altona District Hospital's Board of Management at its monthly meeting on Thursday, August 27.

Cr. Burns was the person nominated by Altona City Council to receive the certificate following council's recent \$200 donation.

In presenting the award, the President of the hospital's Board of Management, Mr. R. Stringer, spoke of Cr. Burns' deep interest in the community and the hospital, both as a councillor and member of the Hospital Board.

Cr. and Mrs. Burns were the guests of the Board afterwards at supper.

## LAND FOR CAR CLUB

Altona Council will support the T.Q. Car Club in its application to the Health Department for use of land east of Grieve Parade, adjoining the Kororoit Creek.

The land is at present under control of the Crematorium Trustees.

If the club's application is unsuccessful, the Council will consider other sites in the Laverton area.

## YACHT CLUB WANTS LAND

Following Altona Council's lease of land to the Altona Yacht Club, the Trimaran Yacht Club of Victoria has applied for a site to establish its headquarters.

Mr. C. O. Dogger, of Maddox Road, Williamstown, told the Council the club had 63 members — many of them from Altona — but had a problem finding boat slips.

He said the club would prefer a site in the vicinity of the Altona Working Men's Club, The Pines, south of the sandy point at Altona Sports Park, or somewhere in the proposed open space of the Truganina Reserve.

Council noted the application.

## HOSPITAL APPEAL

Altona Council has agreed to help Footscray Hospital with its \$100,000 appeal next May.

The money raised in the appeal will be used for a new outpatients department, an extensive care unit, additional operating theatres and birth units, kitchen alterations and extensions to dining rooms. The extensions will be made with the ultimate view to a new 160-bed wing.

A request that the appeal committee be provided with a list of all registered shops in the municipality will be referred to the Altona Chamber of Commerce.

## The 'Half a Sixpence' Can-Can

Students from Altona North High dance the Can Can at a dress rehearsal for the school's production of the musical comedy *Half a Sixpence* to be presented on September 16, 17, 18 and 19 in the new Richard McGill Memorial Assembly Hall.

## ST. PAUL'S WIN FIRST UNDER 13 FOOTBALL PREMIERSHIP

—Photo by courtesy Brian O'Shannassy (314-6479)  
The first football flag to be won by a team from St. Paul's College was carried off last month by this young Under 13 side playing in Division 1 of the Footscray District League. They defeated Albion 7.5 (47) to 4.3 (27). It also was the first year of coaching these players for Mr. Peter Burnett.

Best and fairest award was a battle of the back lines, not a point being kicked by either side. Half-time: St. Paul's 2.4, Albion 1.1.

In the third quarter, Albion came back well being seven points down at the change.

The last quarter was a great one for both sides, the lead changing on four occasions before St. Paul's rallied and scored three

goals late in the quarter to run out good winners by 20 points.

In a very even side all players did their best to win the first ever flag for St. Paul's.

Goalkeepers for St. Paul's were McMahon 2, Egan 1, Jackson 1, Griffith 1, Abolter 1, Bennett 1.

This will be the first time the students use the new hall and the new grand piano bought with money raised by a Walkathon held last year.

Tickets for the production will be available at the school from next Monday — ring 391-2891.

## NO HELP ON NOISE

The Health Commission told Altona Council last week it would not be able to carry out a survey of noise levels in the Altona area at present because of the Industrial Hygiene Department's heavy commitments.

"Here we have a public body which can help us, but is not prepared to," Cr. W. L. Crofts said. "I'm tired of having the same reply, that they can't help us because of lack of staff, heavy commitments, and so on."

"It's time we took stronger action, and the only course left is to make all information and files available to Mr. Floyd, M.L.A., and ask him to take the matter up with the Health Department on our behalf."

## Sewer Towers Are A Hazard

Altona West residents have complained to Altona Council about the hazard caused by the Board of Works sewerage towers in Civic Parade.

A letter to the Council, signed by 26 people, asked if "No Parking" signs could be erected while the towers were in position.

Cr. W. L. J. Crofts asked the City Engineer, Mr. R. Simmons, to contact the resident Board of Works engineer then report to the Council's General Purposes Committee.

## CAN'T BUILD BIG GARAGE

Mr. J. W. Musicka, Iluka Court, Altona, has been refused permission to build a steel and timber garage with a total area of 480 square feet.

Recommending Mr. Musicka's application be refused, the Altona Building Surveyor told Council that steel or timber garages were permitted up to an area of 400 square feet and brick garages up to 600 square feet, with any increase above these sizes subject to Council approval.

Cr. C. W. Carlsson opposed Cr. J. I. Stewart's motion that the garage be refused, saying the garage would not be an "enormous structure."

Cr. W. L. J. Crofts said he had discussed the matter with Mr. Musicka, and found he wished to use the garage for two cars and a small household workshop area.

"It's a simple request, slightly in excess," he said. "I'll vote for a permit."

"We have a ruling that garages over 400 square feet in area must be of brick," said Cr. Stewart. "Why do we have rules and regulations. If we grant this we are just making a rod for our own backs."

Council approved two other applications, each for four flat units. The applications were by Peter Morris Hafey, of Kay Street, Mount Waverley, for land in John Street, Altona, and by Mr. F. Norton, Sargood Street, Altona, land in Davies Street.

An application by Ante and Lenka Nadanic, Civic Parade, to erect flats in Rose Street, Altona, has been granted provided two land titles are consolidated.

## Rezoning

Altona Council will ask the Board of Works to rezone 48 building allotments recently subdivided and sold by the Roman Catholic Church Trust on the north side of Purnell Street and west side of Bell Avenue.

At present the lots are zoned "reserved residential" and Land Use Permits must be obtained before they are used for houses or flats. If the lots are zoned "residential C" this will not be necessary.

## TENNIS STAR HONORED

Altona Council last week honored local tennis star John Trickey, this year's Western Suburbs and Altona Men's Open Singles Champion.

The Mayor, Cr. P. Burns, said John, aged 15, was captain of the successful Western Suburbs team which defeated players from Albury and Adelaide.

He said John trained at Kooyong in the Linton Cup Squad.

"Altona has produced several outstanding players, but John's outstanding success makes him the recipient of our certificate of merit," Cr. Burns said.

"He is keeping Altona's name high in the field of tennis, as it has been held high in other fields by other people."

"I hope he goes on to bigger and better things — and I really think he will."

## EDITORIAL

### TREES AND ROADS

Citizens will agree with Cr. P. A. Burns' commendation of Altona's roads. His claim that we have the best roads in Australia may be hard to substantiate, but there is no doubt that by all standards they are good.

If there is anything better than a good road, it is a tree-lined one.

Thanks to the policy of successive Altona councils, most roads have their complement of trees, many immature but some developed enough to enhance their surroundings.

In our parks and reserves too, while there is still much to be done, trees already growing and the many planned, will be graceful assets in the future.

And in speaking of trees and roads, we illustrate two phases of Council activities.

Roads are for present day use. Their construction and maintenance are essential for the use of citizens of Altona and others now.

As a measure of long range economy, they are built to last, but that does not over-rule their prime purpose.

Trees are for the future. The next generations will see them in their prime.

The generally straitened circumstances of municipal councils make it necessary to emphasise roads, kindergartens, health services — the needs of present-day citizens.

The test of any Council is in its giving reasonable consideration to the needs of the future.

The Altona Council is doing this in its attitude to trees and in its policy of providing amenities for those to come.

## WORKING MEN'S CLUB NEWS

### OUTDOOR BOWLS (1970-71 Season)

This Saturday (September 5) is the long awaited big day for members of the outdoor bowling section.

This will be the opening day of the season with the opening of the club green at 1.30 p.m.

Club President Charles Thompson will bowl the first kitty and the Mayor of the City of Altona, Cr. Pat Burns, will bowl the first bowl of the season.

A club spider, followed by mixed social games will occupy players until 4 or 4.30 p.m. (weather permitting).

Afterwards, during afternoon tea, trophies will be presented.

Last Sunday 48 bowlers were listed for play this Saturday, leaving only 8 more for a full green. When reading this column there may be just time to append the final name to the list on the bowls noticeboard.

#### Selection Committee

A record number of bowlers (26) attended this section's working bee on Sunday before the special meeting of male members elected the 1970-71 selectors, who were: A. Molloy, T. Yates, C. Trickey with Bob Grenville to be co-opted if, during the season any one of the three elected should be unable to function actively on the committee.

#### BILLIARDS SECTION PRESENTATION DANCE

Tickets are selling fast for the Sunday evening, cabaret dance organised by the Billiards and Snooker section of the club.

The evening meal (T-bone

steak commences at 6 p.m. and dancing (old time, modern and pop) to a popular local group.

Tickets are \$1.75 each and members are requested to purchase same by Thursday at the latest.

Another good Sunday evening's entertainment is assured for all.

#### SOUTH SEAS EVENING

Invitation tickets are now available at the club for members and guests for this show being presented by the Williamstown Travel Centre, P.O. Lines and Fiji Visitors' Bureau on Friday, September 18, from 8 p.m.

Three movies will be shown: "The Sea is for Cruising," "Fiji-Fiji" and "Run Away To Sea."

Two bottles of champagne will be presented to the lucky tourists with the tear-off slip on the invitation ticket.

### Associates Continue To Grow

Membership of the Altona Working Men's Club Associates Section reached its highest peak in the year just concluded. This was revealed in the report presented at the annual meeting of the section.

The steady increase has led the Club Management to approach the appropriate authorities for permission to increase Associate membership to 600 and it is anticipated it will not be too far ahead before there will be this number of members.

Other points in the report were:

Social functions held during the year — the Dinner Dance, the Hill-Billy Nights and of course the two Smorgasbords — all were a huge success, both financially and socially. \$132.24 was raised from the Dinner Dance, etc., and \$428.69 from the two Smorgasbords.

The Sunday Dinner effort has been a popular fund-raising effort (\$784.95 this year) and the committee's appreciation is extended to all those who have organised and participated in it week by week, particularly the large number of our male members.

Facilities for Associates were improved by the provision of 60 chairs for the Ladies' Lounge. This objective for several years was made possible this year by the successful financial efforts.

An active year resulted in a financial profit of \$1,616.92. Altogether the ladies have raised \$11,578.67 in the past ten years.

This year marked the 10th anniversary of the Section, the foundation meeting being held in August 1960 at the Altona Refinery with 26 members. With the passage of time some have moved out of Altona and a few have ceased to continue their membership, but at this time there is a total of 13 foundation members comprising: Mesdames I. Baldwin, K. M. Beattie, M. J. Boyd, N. Friend, M. Hancock, E. Laird, W. Lamb, M. McCallum, B. McLennan, E. Roadley, J. Rowe, B. Sheriff, H. M. Spence.

Most of these are still very active members of the club and without them the Associate Section would not have achieved its record over the years.

At its recent meeting the committee agreed to present a small token to each of these members in recognition of their services now and in the past. These were presented at the 10th Annual General Meeting on August 24, 1970.

Summing up, the year has been a good one, presenting problems at times, but these with the co-operation of the committee have been overcome and members look forward to a good future for the Associates Section.

### New Director For The Marianist At St. Paul's

Bro. Henry Sowa has been appointed director of the Marianist Brothers at St. Paul's College in Altona North. As of August 15, he replaces Bro. William Callahan who has held the office for the past four years.

Bro. Sowa attended the University of Dayton, an institute conducted by the Society of Mary, and majored in theology and linguistics. He graduated with a Bachelor of Arts degree and later a BS in Education. He has taught at several Marianist secondary schools in the United States before coming to Australia in January of 1967.

Since his arrival in this country he has worked at many projects at St. Paul's the newest and most exciting of which is the Experimental Education Program in the First and Second forms at the college.

Now as Director he will head the community of 14 brothers at the school as well as acting as the head of the Marianist in Australia. His background in the fields of Education and Apostolic Activities will be of great assistance in the future work of the Marianist in Australia.

### Talk Back 70

Talk Back 70 draws near! What is Talk Back 70?

In conjunction with the official opening of the new St. Eanswythe's Church on Saturday September 12, Talk Back 70 will be one of the most exciting experiences ever to take place in the Altona Parish.

Talk Back 70 is the sharing of ideas, criticisms, protestations on various topics dealing with the quality of life in the seventies and beyond. It will be both informative and entertaining. All Anglicans in the Parish are invited to come and share their insight and experiences.

It will be held in the new Church complex over three consecutive evenings commencing Sunday September 20, at 7.45 p.m. Supper will be served.

Transport and baby sitting can be arranged. For enquiries, phone 398-1005.

### Symposium

Crs. H. Weaver, J. I. Stewart, and appropriate Council officers will attend the Local Government Engineers' Association symposium at the Camberwell Civic Centre on October 1.

The symposium will deal with residential patterns and design of roads in low density urban areas.

### BABY SHOW

The Altona Marching Girls will hold a Baby Show on Saturday September 12, at the Methodist Hall, Sixth Avenue, Altona North commencing at 1 p.m.

#### SECTIONS

### Rotaract Bowling Night

Rotaract members and friends will have a bowling night at the Footscray Bowls Club this Friday, September 4, commencing at 7.15 p.m. All welcome.

### Spastic Aid Committee

The next meeting of the Altona Spastic Aid Committee will be held on Tuesday September 8 at 1.30 p.m. in "The Homestead," Queen Street, Altona.

Forget-me-nots at 10c each can be obtained from the Secretary, 9 Upton St.

Tickets for the annual Christmas stocking raffle are now available and will be on sale in Pier Street.

Volunteers to help sell these tickets are needed, if only for a short time. Anyone wishing to help is asked to contact Mrs. L. Oakes, 398-1138.

### NO GYM.

There will be no gymnasium for the Presbyterian Girl's Gymnasium on Monday, September 7, but will be as usual on Monday, September 14. This will be Mothers' Night.

A general meeting will be held in the Church hall, Civic Parade, Altona on Saturday, September 12, followed by a demonstration of Kandyware.

### Damage At Pavilion

Cr. W. L. J. Crofts has asked the City Engineer, Mr. R. Simmons, to report on ways of preventing damage at the Grant Reserve Football Pavilion.

Mr. T. Hope, Property Officer, told Council he had replaced glass at the pavilion twice in the past fortnight.

"Over the season there has been a great amount of glass broken at this pavilion," he said.

### Rotary Club

An interesting talk was given at the last meeting of the Altona Rotary Club by Mr. Colin Benjamin, Sunshine City Council Director of Welfare.

The main theme of this talk was the need for the formation of a combined Western Suburbs Welfare Council. In urging this, Mr. Benjamin emphasised that experience has shown much work is carried out by clubs such as Service clubs, church groups, Council home help, Elderly Citizens, hospital bodies and Government Departments, but in a lot of the work there was a complete absence of contact or co-ordination of effort between the various bodies.

Problems experienced applied to elderly citizens care, child care and welfare, particularly where mothers were at work during the day, the placing of evicted families in some form of liveable premises and other problems of community needs.

These all illustrated the need for a close liaison between the various bodies concerned to enable help to be given most efficiently and quickly in crisis cases of need while ensuring that overlapping and waste was avoided.

Other Municipal Councils, including Altona, are now becoming more active in this field but the need is great and often urgent and in the opinion of the speaker, a co-ordinator is needed to give a combined coverage of all Western suburbs, which would then be much better equipped to help cope with community welfare in all its phases.

### Elderly Citizens' Social Activities

On August 19, Mr. Leach from Sunshine, entertained members of the Altona Elderly Citizens' Social Club with overseas slides and pictures.

On August 26, the club's birthday party and concert was held. It included items by members and community singing, led by the choir. Mrs. Hope was a capable accompanist. The birthday cake was cut by Mrs. Wise.

Last Sunday a good crowd enjoyed cards and games at the clubrooms. The special effort was won by Mrs. Reid and 2nd prize went to Mr. Dickenson.

The next monthly dance will be held at the clubrooms on September 19, at 8 p.m. Entrance fee is 30 cents and good music and supper are provided.

# ROBERTSON-HERIOT WEDDING

—Photo by courtesy Lloyd Buchanan (63-2606)

A choir from the bride's old school, Lowther Hall, sang during the marriage service for Mr. Ian Michael Robertson and Miss Elise Maree Heriot at St. James Old Cathedral, West Melbourne, on August 17.

Officiating clergyman was the Rev. J. Lawley of St. Eanswythe's, Altona.

The bride is the only daughter of Captain and Mrs. S. Heriot of the Esplanade, Altona, and the groom is the younger son of Mr. and Mrs. J. V. Robertson, of Ballarat.

A classical gown of white delustered satin featuring cornelli-cord embroidery on face on the bodice and bell sleeves was worn by the bride. Her chapel train was edged with the same embroidery and her scalloped veil was held by a looped satin headpiece. She carried a bouquet of orchids.

Matron of Honour was Mrs. Solomon Sahhar and bridesmaids, Miss Marilyn Smith and the groom's sister Miss Yvonne Robertson. They wore long sleeved gowns of pink shantung beaded with crystals and sequins.

The groom was attended by his brother Mr. Peter Robertson as best man and groomsmen were the bride's brother, Mr. Wilson Heriot, and Mr. Peter Hipwell. The mother of the bride wore a hot pink and silver brocade caftan gown featuring a stand-up collar and silver accessories.

A beige wool silk gown with bronze sequins and crystals on the neckline and jacket were worn by the groom's mother.

Several interstate guests were among the guests who went on to the reception at the RACV Rooftop Garden in the city.

### DEVENPORT-VEAL

Mr. & Mrs. E. Devenport 138 Queen Street, Altona and Mr. & Mrs. R. Veal, 37 The Bend, Garden City, announce with pleasure the engagement of Graeme and Lois.

## Square Dance

Last Thursday, owing to the power strike, many gas lights were used which gave the evening a country atmosphere.

Arrangements are well in hand for the club's third birthday night on September 10. It will be a Country and Western Night.

The Altona Square Dance is held every Thursday night in the Youth Hall, Civic Parade. Dancing 7.45 to 11 p.m. to the calling of David Hooper. Ring 398-2708 for details.

## Report On Parlours

Cr. W. H. Sommers, has asked Altona's Chief Health Inspector, Mr. J. Mellors, to report on fun parlours in the Altona North area.

"It has come to a stage where residents won't let their children go to the shops because of the obscene language coming from a fun parlour," he said.

## 21st Birthday

A model of his own VW car and road signs were the unusual decorations on the 21st Birthday cake for Gregory Brook, younger son of Mr and Mrs J. E. Brook of Queen Street, Altona.

His coming of age was celebrated at a small party attended by thirty guests and held at 15 Sargood St., where an enjoyable evening was had by all.

## MEALS FOR ELDERLY CITIZENS

From Tuesday to Friday in every week, elderly citizens can meet and dine in comfort in their clubrooms at Altona.

The charge per meal barely covers the cost of food alone. Facilities provided by the Altona Council, a council subsidy and donations by citizens help to make this amenity possible.

A bus is available to take to the club rooms persons otherwise prevented from attending by distance or disability. When necessary, meals are taken to the more incapacitated folk.

It is the constant aim of the Elderly Citizen's Welfare Committee to provide meals, at the lowest possible charge, in pleasant conditions, to elderly people in Altona.

Altona is most fortunate in its Elderly Citizen's Clubrooms in its ideal location off Logan Reserve. The rooms are attractive and provide many facilities. But the best test of their value is in the way they supply the need of so many elderly people.

The balance sheet of the Elderly Citizen's Welfare Committee shows that in the past year, receipts exceeded expenditure.

Main items were:—

Receipts	
Receipts for meals	\$2587
Donations	\$1194
Other	\$209
	\$3990
Expenditure	
Food	\$2557
Transport	\$310
Other	\$435
	\$3302

## No Concession For Hall Hire

The Church of Jesus Christ Latter-day Saints has been refused concessional hall hire by Altona Council.

Elder Dennis Emery and Paul Ostler, of Blyth Street, Altona, told the Council they wished to hold a family film night, showing informative and entertaining items.

"We are in no way wishing to secure any profit through our endeavours, but wish only to promote a better relationship with the fine people here in this area," they said.

Cr. P. J. Lynch said the Council policy was to grant concessional hire only for items of an educational nature.

## HISTORICAL SOCIETY EXHIBITION

Altona Historical Society will conduct an exhibition on land development in Altona at its museum in the "Homestead" from November 14 to 29.

Altona Council has agreed that the Mayor will open the exhibition at 3 p.m. on November 14. The guest speaker will probably be Mr. Frank Foy, of the Real Estate and Stock Institute.

Last week the Society told Council that Lot 19 on the corner of Pier Street and The Esplanade — now containing public conveniences — was the first lot auctioned in Altona township on September 8, 1888.

"Bidding began at £5 per foot frontage and the block was sold at £13 per foot frontage," the Society said. "This works out at about £975 for the block — or in today's values, about \$19,000. "One day, when the Society can afford it, we hope to place a plaque somewhere on the block."

## Hospital Ladies' Auxiliary

At the Annual Meeting on August 12 of the Altona District Hospital Ladies' Auxiliary the following members were elected as office-bearers for 1970-71.

President: Mrs. W. Verlander.  
Vice-President: Mrs. B. Reid.  
Secretary: Mrs. C. McGraw.  
Asst. Sec.: Mrs. L. Weaver.  
Treasurer: Mrs. E. Heriot.  
Committee members are: Mesdames G. McDonald, D. Shaw, M. Stringer.

A Morning Coffee and Bessemer Party will be held at the home of President Mrs. W. Verlander on Wednesday, September 9, 10.30 a.m. Further enquiries 398-1956.

The September meeting will be conducted in the Board Room of the Hospital at 8 p.m. on Wednesday, September 9.

## Engagement YATES-MCKINNEY

It is with pleasure that the engagement is announced of Janet Eleanor elder daughter of Mrs. Joyce Yates of Altona and the late Mr. A. C. Yates, to Andrew John eldest son of Mrs. Helen McKinney of Altona and Mr. W. McKinney of P.A., U.S.A.

"I feel this doesn't constitute such an item," he said.

## MEETING CANCELLED

Due to the proposed S.E.C. power strike on Monday next, September 7, a Parent's meeting of all Altona Williamstown kindergartens to be held at the Altona West Kindergarten, 14 Lindwood Avenue, has been cancelled and will be held on Thursday, October 8. Authorised by Miss N. Stein, Pre-School Adviser, Health Department.

## CONCERT A GREAT SUCCESS

The grand variety and costume concert held last Friday night at the Civic Hall by the Junior Choir section of the Music Society was a great success.

The hall was filled to capacity and everyone well entertained by a variety of performers.

The program opened with a colorful performance of excerpts from The King and I, the most striking aspect being the children's costumes designed by Mrs. A. Foster. The Junior Choir supported by Annette Foster and guest artist Paul Taylor made this item most enjoyable.

Several recitations were given during the evening by Sandra and Colin Neale and Mrs. Ellen Carter all well received by the audience, appreciated also by the audience were the Altona Daffodils (Marching Girls) and the Highland and National dancers.

Songs were sung during the concert by Ken and Margaret Walton, Karen Foster, Katherine Corra, Ann Morris, Jenny Fleming, Syd Mathews, Mr. and Mrs. Stringer, Horrie McWilliams and Norm.

The Altona Music Society's Accordion and Instrumental Band with bandmaster Mr. Fred Manning presented several enjoyable items, sloists with the band were: Peter Flatz, Mike Dubowick, Michael Pooley and Brenton Thomas.

The Western Philharmonic Choir conducted by Peter Pearce rendered several items and must be congratulated on their first performance in Altona.

Miss Annette Foster is to be commended for the high standard set by the Junior Choir members and herself at this concert.

Appreciation was expressed for the assistance of:—

The Committee of Management of the Junior Choir, Mrs. A. Foster for designing costumes; Mrs. May Stringer the accompanist for the Juniors; Mr. Fred Manning for providing Amplification; and Cr. Les Crofts for a wonderful job as compere.

## BUTTON DAY

Altona Council has given permission to the Aborigines Advancement League to conduct a button day on October 17 to raise funds for its work.

Street stalls approved by Council include: Altona North Primary School, Mothers' Club, Borrack Square, September 11; Altona North Youth Club, The Circle, October 9; First Altona Scouts Group Committee, October 17; Altona District Hospital Ladies' Auxiliary, November 20.

## Altona Primary Mothers' Club

The next meeting of the Altona Primary School Mothers' Club will be held at the School on Wednesday, September 9, at 1.15 p.m. followed by a demonstration of "Artex."

A Beetle Afternoon will be held at the Homestead on Thursday, September 17, at 1.30 p.m. All mothers welcome.

## Val's Column

HELLO GIRLS,

By the calendar, Spring is here. Feel it in the air, girls? Warm sunshine, gorgeous blossom, gay prints in the clothing world, bright gay stripes. Open your eyes to all these things, girls—be helped by Revlon. Revlon Color-Mated Eye Makeup fashion in ribbon upon ribbon of color. Eye liners in twin pack of water color, never before colors. Silky smooth banners of green, blue, plum, grey that open your eyes all the way. Add perfectly mated brush on powder shadows and new shade mascaras that keep your eyes open all the way. Charcoal colors to lengthen and curl as they bring you new beauty. Ribbon upon ribbon—Revlon have it tied up.

Keeping you in the know, girls—here is a sure way to guard against wrinkles, "crepiners," relaxed contours or just plain old lazy muscles.

Neckline and Contorfilm designed by Cyclax to keep your age a secret. They contain special ingredients to firm, brace, and smooth the skin. Neckline for the neck, Contorfilm for the face. Both preparations being completely non-oily are ideal used under makeup. Contorfilm will help close the pores, and result in a "matte" complexion all day. Pat in briskly until completely absorbed. ## Bible Society School To Address Ladies Committee Meetings

A representative of the British & Foreign Bible Society will address the next meeting of the Altona Methodist Ladies' Guild.

As this is an inter-denominational organisation the Guild is making this an open meeting and will welcome the presence of any other ladies who would care to hear of the work of this society.

The meeting will be in the Youth Hall, Seves Street, on Tuesday, September 8, at 1.30 p.m. Afternoon tea will be served and an offering taken to assist the work of the British & Foreign Bible Society.

A meeting of the Altona West Primary School Mothers' Club will be held at the school on Tuesday, September 10, at 8 p.m.

A demonstration will follow the meeting and Mothers are asked to bring a plate of cakes, sandwiches, etc.

The Altona High School Parents' and Citizens' Association will hold their next meeting at the school on Monday, September 7, at 7.45 p.m.

# CONSTRUCTION STARTS ON ST. PAUL'S LIBRARY

Construction work is now well under way on a new library complex at St. Paul's College, Altona North (pictured above). The new structure will incorporate a number of fairly recent innovations in school library planning in Australia including fully equipped record and tape recording sections.

It will be approximately the size of four standard houses and its functions will be many and varied.

There will be the usual reading room area but this time it will be divided into informal and recreational reading areas as well as separate study areas for senior and junior students. There will also be a library annex area for the use of a single large group of students in discussion or film groups. Similar rooms will be available for group discussion work.

Some of the other areas

to be incorporated in the library complex will be: The Librarian's office, a teacher's reading and preparation room for sole use by the teaching staff, a workroom for the organisation of the basic library materials, an audio visual material and equipment room, and a foyer for display and storage of bags and cloaks.

The main innovation of the library is the incorporation of audio visual carrels (individual screened study cubicles) which will be wired for tapes, records, TV and film for the personal

use of each student.

The Architect for the new library is Mr. Max Chester, of Heidelberg. The builders are Rushford and Walsh Pty. Ltd., of Werribee.

The library is due for completion for the beginning of the 1971 school year.

The building of the library is made possible by a grant from the Commonwealth Department of Education and Science and is being erected under the guidance of the Commonwealth Secondary Schools

Libraries Committee.

Total cost is estimated to be \$60,000—eight thousand more than the grant, thus leaving St. Paul's to raise the additional finance. The Parents' and Friends' Association of the college has now assumed the responsibility of providing the necessary capital and already have started fund-raising activities.

## Camera Club

At the Camera Club's meeting held last Friday, the talk on wedding photography was continued. Slides of the progress being made to the Lower Yarra Crossing were also shown by Bill Gunn, who now has quite a good collection on this project.

The entries for "close up" were handed in and the results will be announced at the next meeting on Friday, September 11.

The monthly competition for September is "Open," which should result in a large entry as the subject matter can be anything.

The Altona Camera Club meets each Friday of the month (except the first) in the Homestead, Queen Street, at 7.30 p.m. Telephone 398-1937 for any further information.

## SPEEDWAY TO RE-OPEN

On Sunday September 6, the Melbourne Speedway will re-open for the new season.

A huge 20 event card has been set for decision with the Saloon car, winter derby as the main event. More than 60 entries have been received for this classic. Probably the most interesting entry comes from Sonny Turner with his Love Bug Volkswagen.

Support for the Saloon cars will be the Hot Rods, Ladies Saloon cars, Junior Sportsmen and Super Modifieds.

Local seventeen year old hot rodder Col Patterson will go well against the strong fields in the Hot Rod section. Patterson won the most improved driver award in his club last season and is a skilled driver.

Two other Altona identities in Danny Luckett and Eddie Byrne expected to make the going tough for the opposition. Luckett will be remembered as the driver who beat national and State Champion Welsh twice last season in a tremendous display on both occasions.

The Ladies Saloon car Derby is also set for decision on the same programme. Grace Couch may not be available for entry because of an earlier misadventure when she incurred the wrath of the stewards. Winner will come from Marj Alabacus, Kay Delmo, Dianne Featherstone or Marie Miller.

## TALKS DELAYED

The Minister for Local Government would be unable to meet Williamstown Council for at least three weeks to discuss Harbor Trust land held under licence by the council, the Minister's private secretary said this week.

There will also be a delay in a meeting between the Minister and council to discuss possible locations for a new dry dock in Williamstown.

## THE CURTAIN RISES

By THISBE

Using the Williamstown Little Theatre as his mushroom for a while is a hobgoblin of a man called Robert Karl.

Hobgoblins do not do their work by stealth as do Leprechauns, but they make other people do their work for them, usually by trickery or black magic. This skill must surely make them ideal theatrical producers.

Mr. Karl, a New Zealander by birth, of Scottish descent, began his theatrical career at a very early age.

His father, a member of that family of Lindsay, hell-doomed to be the owners of Glamis Castle, took one look at his son and said, "At last, the Ogilvies have had their revenge."

Such an auspicious opening made only one career possible for the young Lindsay so he changed his name and became an actor.

He began his professional stage career at the age of 12 as the front end of a horse, which is very pleasant because you can see where you are going, but the back end is more fun.

He worked in the theatre during his formative years and then took off to play at Stratford. After several years in England he came to Australia and worked for 4½ years in Sydney television.

He tired of the tinsel town and decided to come to where the real people are — in Melbourne town.

Mr. Karl has been practising his particular black art, producing plays for amateur theatre groups all over Victoria for the Council of Adult Education with which he is a drama tutor, and taking time off to play with the Victorian Shakespeare Company in their recent production of Hamlet.

His first production with Williamstown will be Peter Shaffer's "Five Finger Exercise," to be staged from September 23 to October 3.

### R.S.L. BALL

The Altona RSL Memorial Club Ball will be held on Friday, September 4.

This evening is to be completed by Hal Todd. Excellent catering and refreshments will be available. Dancing will be from 8 p.m. to 2 a.m.

A few tickets (\$8 double) are still available. If interested ring 398-2817.

### Three Nurses Pass Exams

Three Student Nurses at Williamstown Hospital passed the final examinations held recently by the Victorian Nursing Council.

They are: Audrey Jill Wyatt, of Williamstown; Marilly Jennifer Day, of Apollo Bay and Karen McVicar, of Dandenong North.

## Williamstown Horse And Pony Club

Thirty-four members competed at the Williamstown Pony Club's Annual Gymkhana on August 16.

The perpetual trophy, donated by Cr. Max Robertson when he was Mayor of Williamstown six years ago, has always created keen competition, this year being no exception.

The present Mayor and Mayoress, Cr. and Mrs. R. Dawes, Cr. and Mrs. Max Robertson and Cr. D. McDonald attended and presented the trophies and championship ribbons to the following winners:

**Max Robertson Trophy**

## LAYING-UP OF COLOURS

The Queen's and Regimental Colours of the 32 Infantry Battalion (City of Footscray Regiment) will be laid up in St. John's Anglican Church, Paisley Street, Footscray on August 30.

The Colours will be handed over by their present custodians 1 RVR.

The Colours will be marched under guard from the 1 RVR training depot, Footscray, to St. John's Church. The Colour party will then slow march through a guard of honour from the 14/32 Battalion Association into the Church. The Colours will be handed to the Vicar of St. John's Church the Rev. A. McIvor Wright by Lieutenant Colonel D. J. Sandow, Commanding Officer 1 RVR.

These Colours are those of the 32 Infantry Battalion, The City of Footscray Regiment, whose traditions and honours are carried on by the 1st Battalion, The Royal Victoria Regiment.

## T.P.I. Social Notes

The cancellation of all trains did not stop 54 members of the T.P.I. Social Club turning up for cards on August 27.

The members had an enjoyable afternoon and winners were: Ladies Mrs. E. Martin, Gents Mr. W. Knell.

New members welcomed on this afternoon were Mr & Mrs Jackson and Mr & Mrs R.C. Edwards (Footscray) and Mr J. Whittingham (Braybrook).

The next card afternoon will be played at 1.30 p.m. on September 10, in the Manchester Unity Hall, Footscray.

Members of the Ladies Auxiliary will meet at 1.30 p.m. on September 3, in the Manchester Unity Hall, Footscray.

In the last fortnight two members have passed away namely W. J. Lucas and G. Pollard. Deepest sympathy go to their families.

## RED CROSS

The 31st Annual Meeting of the Newport Service Company of Red Cross was held on Thursday August 27.

The Superintendent Mrs. Cariss was re-elected, also Treasurer Mrs. Gerring and Secretary Mrs. Callesen and other officers.

Considering the small numbers carrying out duties valuable assistance was given to the community, including meals on wheels, chiropody for elderly people,

blood bank, health centre, visiting Williamstown and Royal Melbourne Hospitals, helping to raise funds at Melbourne and Williams town Town Halls, sorting of clothes and giving assistance to neighbours.

Many members have given 20 years service and six members have completed 30 years.

The group meets on the 4th Thursday in every month at 1.30 in the Newport Library Hall and would welcome new members.

## WELFARE SOCIETY NEEDS \$200,000

The Melbourne Ladies' Welfare Society told Altona City Council last week it would soon conduct a \$200,000 appeal for extensions to Ravenswood, a home for elderly women at Ivanhoe.

Mrs. J. H. Leyden, a representative of the Society, asked if she could meet the Council to stress the need for financial assistance for welfare work and to outline the extent of welfare work in Altona.

Cr. W. L. J. Crofts moved that Mrs. Leyden be told that the Council was fully aware of the needs of welfare work and had already asked for Federal and State Government assistance.

Cr. P. J. Lynch opposed him, saying Mrs. Leyden should be invited to speak to the Council at a General Purposes Committee meeting.

"This Society is doing an excellent job for charity throughout the metropolitan area, and would be more conversant with what help is needed," he said. "She could have more up-to-date information we should hear."

When Cr. Lynch's amendment was defeated, Cr. D. Grant successfully moved that the Society's letter be deferred until the Council considered the distribution of its charity grant.

Mr. J. W. Waters, Town Clerk, said the Society at present received \$20 from the Council's charity grant.

## WESTERN SUBURBS LAPIDARY CLUB

A most enjoyable, as well as educational, evening was had by all who attended the general meeting of the Western Suburbs Lapidary Club on August 20.

Guest speaker, Mr. Tony Annear, presented an illustrated lecture on his recent overseas trip and slides shown were an interesting travelogue of the various countries visited, which included New Guinea, Scotland, Germany, Sweden and America.

Mrs. L. Noble won the competition for the most unusual stone.

At the completion of judging, points awarded during the year to entrants and winners of the monthly competitions were totalled.

The aggregate prize of a polished half agate was awarded to Mr. and Mrs. H. Watson with 14 points each. Please ring the Secretary on 311-5476 for any information.

## GTV9 TO SUPPORT YULUNGA

In Melbourne Tonight's Jimmy Hannan televised a segment of the show at the home of Mr. and Mrs. Bill Fogarty in Dudley St., West Footscray, on Tuesday night of last week.

Elderly Mr. Fogarty is not the Footscray councillor.

Following the practice of singing request numbers, Hannan sang "True Love" to Mr. and Mrs. Fogarty.

The TV identity and his crew showed their interest in plans for the Yulunga centre for elderly people at North Footscray.

Mrs. Fogarty, who is an active member of the Ladies' Committee which is working to raise money for the project, told Jimmy Hannan of the work of this very active committee.

Hannan promised the support of GTV9 for the project.

The singing of "True Love" before the elderly couple is likely to be seen on Melbourne Tonight in about three weeks.

The annual general meeting of the Yulunga Society will be held in Footscray Town Hall on Tuesday, September 15, at 8 p.m. Members of the public interested in the project are invited.

## \$3,200 To Yulunga

Dame Mary Daly, chairman of a committee of women who organised a dinner-dance at the Southern Cross in Melbourne, has handed a cheque for \$3200 to Yulunga as a result.

The women, mainly from the other side of Melbourne, worked for the Footscray project to help elderly citizens.

A Footscray committee and its Ladies' Committee have been working for some time to provide a temporary care centre on land made available by Footscray City Council in Argae Reserve, North Footscray.

The big cheque was received by the president of the Yulunga Society, Dr. B. Hammerschlag.

He said that the women helpers had given wonderful support.

The occasion was the wind-up meeting of Dame Mary Daly's committee. They were entertained by Dr. Hammerschlag and his wife at their home at North Caulfield.

## GOVERNOR TO VISIT ROTARY CLUB

Altona Rotary Club will receive an official visit from the Governor on September 8.

Rotary International was formed 65 years ago in Chicago and has since grown to almost 14,000 clubs, with approximately 700,000 members in 150 countries.

The objects of Rotary are to encourage members to serve in their vocations, in community activities, and also play their part in promoting international understanding.

The Rotary Club of Altona is one of 60 clubs in District 280 which comprises most of the central portion of Victoria and 36 clubs in the metropolitan area of Melbourne.

The District Governor this year is Geoff. Stevens, a member of the Rotary Club of Hawthorn, who recently returned from a period of two months in the U.S. during which he attended an International Assembly and Convention to prepare for his year of leadership.

Rotary's World President, William E. Walk Jr., a Californian judge, has adopted as his theme "Bridge the Gaps" which exist in our community, in our relationships with people of different age groups, in our environment and in international relationships.

## The Developing Fire Hydrant

That silver and red fire hydrant at the corner of your street has undergone considerable development since the Board of Works first changed its design in 1954.

Originally the fire hydrant was high-mounted — 3 ft. above the ground — and protected by a one-piece iron casting.

Unfortunately, many hydrants were damaged by vehicle collisions with the result that gushing water often created public inconvenience.

Consequently, the hydrant was redesigned by mounting it at a low level — 8 in. above the ground — and enclosing it within a fabricated steel housing with a pressed steel or cast iron removable top. This is the familiar silver and red enclosure we see in our streets today.

The effect of these changes has reduced breakages as well as lowering the cost of manufacture.

A more recent development has been the use of a Teflon bush to support the hydrant cover spindle to overcome metal-to-metal seizure caused by long term non use of the hydrant. A further modification was made to reduce losses of non-ferrous metal parts by vandalism.

Consideration is being given to the use of a plastic enclosure top which, apart from reduced cost, will retain its color and not rust.

## CASH LOAN RAISES \$71 MILLION

Subscriptions to the Commonwealth Cash Loan which closed last Tuesday was \$71 million.

Announcing the result this week, the Treasurer (Mr. Leslie Bury) said that, while Cash Loan subscriptions were above those in the May loan, redemptions of the maturing Securities in the associated \$244 million Conversion Loan seemed likely to reach roughly the same figure.

So far there have been \$167 million converted and \$63 million redeemed, with just over \$14 million still outstanding.

The long term security again attracted good support in the Cash Loan, with subscriptions in excess of \$40 million.

In addition to the Cash Loan subscriptions, there have been net subscriptions of approximately \$21 million to Special Bonds so far this financial year.

**A GRADE SEMI-FINAL**  
Williamstown Colts (S. Slattery, B. Taylor, M. Dudziak) won the right to challenge Bodingtons for the A Grade flag with a decisive 6-3 win against Maribyrnong (A. Walker, J. Lawler, F. Kovacs, D. Jones).

After an even start in which the lead fluctuated continuously, Colts applied the pressure and drew away to a comfortable win.

Steve Slattery and Barry Taylor, who were both undefeated in singles play, paved the way to victory. Team-mate Mike Dudziak produced his best form of the season to defeat Frank Kovacs, 21-17, 21-23, 21-15, and to go down narrowly to Jack Lawler, 21-14, 18-21, 16-21.

Alby Walker and Frank Kovacs failed to produce their best form and this was a contributing factor towards Maribyrnong's demise.

Colts' superiority in singles was counteracted to some extent by Maribyrnong's supremacy in doubles. Walker-Lawler defeated Dudziak-Slattery, 19-21, 21-12, 21-15, in the first doubles and Lawler-Jones defeated A Grade doubles champions Slattery-Taylor, 13-21, 21-16, 21-16, in the second doubles.

**C1 GRADE GRAND FINAL**  
Grieve Highway (N. Wynn, F. Murphy, G. Lewis) reversed their second semi loss to Kingsville YMCA (R. Pimblott, C. Thomas, J. Sherman) when they comfortably defeated them 6-1.

Grieve were quicker to settle down and quickly moved to a 3-0 lead with good wins to Lewis, Murphy and Wynn.

Kingsville snatched a win in an evenly contested doubles rubber when Thomas-Pimblott defeated Murphy-Lewis, 22-20, 12-21, 21-19.

However, hopes of a close match quickly faded when Gordon Lewis defeated R. Pimblott in three sets and teammates Neil Wynn and Fred Murphy won effortlessly in straight sets against Sherman and Thomas, respectively.

**D1 GRADE GRAND FINAL**  
McKenzie & Holland (J. Casha, J. Camilleri, R. Curwood, C. Saliba) defeated a depleted Avondale Heights Youth Club team of K. Bedella, A. Bondin, P. Beighton, comfortably 6-2 in a match that observers had predicted would be a "cliff hanger."

Avondale had their finals hopes crushed on the eve of the finals when their star player, Herb Schwarz, dislocated his collarbone whilst playing football.

Ray Curwood was McKenzie & Holland's best player, winning 2 rubbers and combining with C. Saliba to win a doubles. Team-mates J. Casha and J. Camilleri won 1 rubber each.

Keith Bedella was an outstanding player for Avondale, winning 2 rubbers in fine style, whilst team-mates Paul Beighton and Andrew Bondon, although trying hard, could not break through for a win.

**D2 GRADE GRAND FINAL**  
Williamstown Youth Centre (F. Milton, B. Harrison, P. Reitman) after trailing early in the match produced a terrific finishing burst to snatch victory from Newport Post Office (C. Treble, R. Corbett, B. Fox) in the vital last rubber.

The lead see-sawed continually as first one team would gain the ascendancy and then the other would fight back to regain the lead.

With Corbett and Fox playing well Newport opened up what appeared to be a winning break. However, the turning point in the match came when Barry Harrison narrowly defeated Bernie Fox 21-18, 15-21, 24-22 in a marathon three set battle.

This win had brought Williamstown back into the match and when Peter Reitman scraped home from Charlie Treble in three sets the score was 5-all.

In a tension-packed final rubber Frank Milton, who was steadier in the crisis, gained an early break and went on to defeat Corbett in straight sets.

**E2 GRADE GRAND-FINAL**  
Avondale Heights Youth Club (P. Bell, A. Casha, E. Bondon, C. Bondin) continued their unbeaten run when they effortlessly defeated Scots (G. Harper, S. Bransgrove, J. Robertson) 6-1.

The match was of an extremely high standard and both teams are to be congratulated on their performances in their first season of competition.

Peter Bell and Alex Casha were undefeated in singles play and P. Bell and E. Bondon were a successful doubles combination, defeating Robertson-Harper 21-12, 20-22, 21-13.

Gary Harper won Scots only rubber when he defeated C. Bondin 21-10, 21-11. Team-mates Steven Bransgrove and Jim Robertson tried hard but could not break through the strong Avondale combination.

**E1 GRADE GRAND FINAL**  
Bertrams and St. Andrew's Footscray Cricket Club, the second semi-finalists clashed again in the grand final, and although Bertrams did not field what was perhaps their strongest team, St. Andrew's played out the final with grim determination and produced their best effort against Bertrams for the season.

Don Quayle put the first score on the board for St. Andrews when he defeated Gary Shaw 13-21, 22-20, 21-19. However, Bertrams then surged to the lead with a string of five wins and the match looked all over, but St. Andrew's, not to be denied, fought back under pressure with wins to Noel Bunce over Howard Bertram and Bunce-Alphrey who defeated E. & H. Bertram in 3 games — 19-21, 21-18, 21-19, to reduce Bertrams lead to 5-3.

St. Andrew's Bruce Alphrey then had the formidable task of defeating Ed Bertram in the ninth rubber to keep the match alive for St. Andrew's, but although he tried his utmost Ed Bertrams attacking shots and positional tactics won the rubber and the final for Bertrams in their first year of competition.

Best players were Ed Bertram, undefeated with 3 singles rubbers, Howard Bertram and Gary Shaw, one rubber each, and for St. Andrew's Cricket Don Quayle and Noel Bunce won one rubber each.

**HANDICAPS**  
Handicap tournaments will be conducted on Tuesdays and Thursdays from September 8 to 10 onwards till the start of the Summer Pennant.

**SUMMER PENNANT**  
The number of entries received at this stage is most encouraging when compared to previous seasons. However, the number of entries is nowhere near sufficient to enable the pennant committee to commence grading for the Summer Pennant.

**Board Increases Anti-Pollution Activities**  
During the last five years the Board of Works has placed greater emphasis on water pollution control.

Besides a substantial increase in the amount spent on the maintenance of rivers, creeks and streams the Board has engaged officers whose prime task is to check and control the level of water pollution in our metropolitan waterways, reported the Acting Secretary of the Board, Mr. R. A. Englesman, this week.

He said the standard of effluents from industrial and commercial plants and sewage treatment works is regularly checked by Board pollution inspectors and advice is frequently given on the improved treatment of effluent.

A significant contribution to the Board's environmental study of Port Phillip Bay is the collation of technical data from drainage samples taken from creeks and streams flowing into the bay. The rate of flow and pollution loads are measured constantly and the data is used to estimate the physical, chemical and biological effects on the bay.

In addition to the seven officers currently engaged in anti-pollution activities the Board will shortly engage another pollution investigation engineer to examine pollution loads in Melbourne's drainage system and in liaison with other Board officer and outside authorities, propose methods of pollution control.

This necessary increase in water pollution control has meant the Board is spending four times as much in 1970 as it did in 1965. In 1965-66 the maintenance of metropolitan waterways cost the Board \$267,000 and during 1970-71 the Board will spend more than \$1m.

## LIGHTING FESTIVAL

The S.E.C., the Chamber of Commerce, and the Electrical Development Association will conduct a lighting festival in Melbourne and suburbs during the Melbourne Cup Carnival from October 28 to November 8, Mr. R. B. Kimber, Williamstown's City Electrical Engineer, told Council last week.

He said an installation subsidy and a \$500 prize were being offered to encourage commercial, industrial and public buildings to install floodlighting during the festival.

"The S.E.C. has prepared a supplement for inclusion in 'Home Beautiful' and the Electrical Development Association has arranged for a lighting supplement to be included in 'Woman's Day'," he added.

Mr. Kimber suggested that Council's General Purposes Committee should discuss support for the festival at its next meeting.

## Newport Methodists Football Club

### COURAGEOUS WIN IN PRELIMINARY FINAL

**First Quarter**  
Both sides opened nervously and play was scrappy for the first ten minutes. Preston scored the first goal but Newport, starting to team well on the forward line late in the quarter, scored four quick goals.

Scores: Newport, 43-27; Preston Methodists, 14-10.

**Second Quarter**  
Newport were finding it difficult to break away from a determined Preston side and could not get their fast play-on style of football operating efficiently. Play was even with plenty of hard clashes in this quarter and Newport held a handy 20 points lead at half-time.

Scores: Newport, 76-48; Preston Meths., 31-28.

**Third Quarter**  
Preston came out after half-time a rejuvenated side and scored a couple of very early goals and were putting plenty of pressure on the Newport backline. However, Newport steadied and matched Preston in most positions for the remainder of the quarter.

Scores: Newport, 91-66; Preston Meths., 61-51.

**Final Quarter**  
Newport, with every player lifting his game and playing desperate football, rattled on three quick goals and appeared to be heading for a comfortable victory.

Preston were not to be denied and fought back well to score four goals to get within 6 points of Newport.

Newport battled courageously in the dying moments of the match and eventually ran out narrow winners by 9 points in a hard-fought game.

Final scores: Newport, 121-87; Preston Meths., 101-78.

Goals: Johnson 3, Seers 2, Bridle 2, Neville 2, Miller, E. Rowe, Angourias.

Best: All players in another excellent team performance.

This week's match is the grand final against Diamond Valley, at Albert Park No. 2 Oval.

## WESTERN SUBURBS COLTS

### ALTONA PRESBYTERIANS UNDER 15 PREMIERS

Altona Pres. won their first grand final of the Western Suburbs Colts last Saturday.

Scores: Altona Pres., 101-72, d. Westport, 47-31.

The game was played in good spirit and was of a high standard — a credit to all concerned.

After the game presentation of trophies to Ricky Carrington of Westport (Best and Fairest) and Micky Lomas, Holy Trinity (Goalkeeping) were made.

Altona goals and best players: J. O'Connor, P. Mildenhall 3, A. Paone 2, J. Dean 1, G. Knight, G. Bebed 1, in a good team effort.

Other goals: A. Clarke 2, J. Matthews 1.

The Western Suburbs Colts officials and players would like to thank the South Melbourne Football Club for the use of their ground and facilities and donations of footballs for games is truly appreciated.

The League also deeply appreciates Mr. Alex Merrill's interest and assistance to the League.

### UNDER 12 GRAND FINAL

Holy Trinity scored their first Under 12 premiership with a victory over Williamstown Methodists.

Scores: Holy Trinity, 76-48; Williamstown Meths., 61-44.

This is the second successive year Williamstown have been runners-up in this division.

Holy Trinity goals and best: G. Knight 3, B. Murphy 1, D. Vickers, A. Gibson 2, S. Hewitt, M. McGuigan, G. Matty.

After this game Andrew Gibson, Holy Trinity, was presented with the Under 12 Best and Fairest Trophy and

## PRIMARY SCHOOLS SOCCER

The results of last Sunday's games were very good. Altona managed to hold the premiers, North, to a 2-all draw.

During play the weather deteriorated and the players were cold and wet but still managed to play one of their best games.

It is perhaps unfortunate that only one player can collect 3 votes as the three best for Altona on Sunday were all outstanding — V. Pace, M. Vanderpoel, B. Neyland.

Best for North: Gorican, Cvetkovic, Trifonovic.

In the second game Seaholme proved to be the better side by beating West 3-nil. This score might not look too good for West but both teams put forward a very good performance.

West are starting to play better as a team, unfortunately a little late in the series but watch out for this team next year.

Best for Seaholme: R. Howden, P. Scarlet, A. Hadzic.

Best for West: S. Williams, R. Disani, R. Moffatt.

This week's games are the finals for the premiership. The presentation will take place at approx. 12 noon. All parents are invited to attend. Tea, coffee and cakes will be served. Don't forget the date: Sunday, September 6.

## Altona North Little Athletics

Children wishing to compete in coming season should register now with the club manager, Gordon Thompson, 11 Fifth Ave., Altona North.

Training will commence at Langshaw Reserve on Tuesday, September 22, at 5 p.m., and will take place every Tuesday and Thursday following.

William Mitchell, also of Holy Trinity was presented with his goal kicking trophy.

## Newport Bowling Club

All is in readiness for the opening of the 1970-71 bowling season at Newport on Saturday, September 5.

President Laurie Fitzpatrick and Secretary Bill Smith wish to thank all members who have attended working bees over the last few weeks to get the club and surroundings into top shape.

The new club house is starting to take shape and chairman of the Building Committee, Brian Livingstone, predicts that when completed it will be second to none.

Greenkeeper Tom Cummings has the greens looking a picture, and all look forward to a prosperous season at Newport.

## COUNCIL'S THANKS

Cr. L. R. Hoffmann has asked Williamstown Council to send a letter to Mrs. N. A. Shore, thanking her for her work as president of the West Newport Kindergarten for the past 16 years.

Cr. Hoffmann said Mrs. Shore, who retired from presidency this year, was the kindergarten's foundation president. He said she worked for the kindergarten before it was established.

## TEN YEARS AFTER, A GREAT GROUP

With the record ban still on, we are missing out on a number of fairly new British groups.

And one good example is Ten Years After, the British group that starred in "Woodstock".

This group has been in the background for a number of years, but just over twelve months ago they shot to overnight fame.

And they delivered an outstanding performance at the Woodstock festival.

All four members of the group grew up in Nottingham, England.

And they claim to have met each other in a bus shelter.

They discovered that each of them could play an instrument and decided to form a group.

Ten Years After features Alvin Lee, lead guitar and vocals, Leo Lyons, bass, Ric Lee, percussion and Chick Churchill, organ.

The group has worked in clubs in London and Germany and backed up rock singers in America.

More recently they have appeared in pop concerts at the Fillmore East and West.

Although his group plays a great deal of old rock songs extremely well, Alvin is emphatic that Ten Years After is essentially a white blues group.

"We are trying to develop a style that is a logical progression, without any forced changes" says Alvin.

"We do not like making records for transistor radios, and we do not think that the objective of white blues is to imitate black musicians.

"When we do a blues song, it's more in style than in feeling. The feeling is relevant only to us."

Alvin's parents were 'trad' jazz fans during Britain's dixieland jazz craze 11 years ago.

So his first instrument was the clarinet which he played in the Benny Goodman-Woody Herman style.

As proof of this Herman's classic "Woodchopper's Ball" is still featured in Ten Years After's repertoire.

Then Presley came on the scene and Alvin switched to guitar.

His first influences were Charlie Christian and Tal Farlow and later, blues guitarists.

Alvin is described as a sensational guitarist and after seeing him in "Woodstock" I would agree with that statement.

But he also has a big interest in the production side of the pop industry.

He has his own recording studio which he describes as a "battered up affair".

Leo Lyons looks like a character out of an off-beat Western film.

And he even has plans to buy a ranch and breed horses.

So far, he has a fully equipped western saddle but no horses.

But his collection of antique pistols is outstanding.

An excellent musician and a strong performer, Lyons has been playing with Lee since their days as teenagers in Nottingham rock clubs.

Ric Lee joined the group in 1964 when they appeared in a stage play, "Saturday Night and Sunday Morning", in London's West End.

Lee is a technical drummer but he has developed a hard swing rock-blues style which has become an integral part of the group's sound.

Youngest member of the group is organist, Chick Churchill.

Churchill had no show business experience prior to joining the group but, he studied the piano from the age of five and has a classical background and technique which is a rarity in rock.

He remains more pianist than organist in style but according to Alvin if Chick was anything else he would not fit in with the band.

"Most organists are very strong, very loud, but in Chick's case you hear every thing he plays, simply because it blends in so well with the rest of the group", says Alvin.

If you have not heard Ten Years After yet you may be interested in buying one of their records on the Dream label.

They have four LPs and their latest is "Ssssh".

Failing that, you can see the group appear in "Woodstock" which is showing in the City.

### Gossip

Wally really takes the cake.

Thorn and Grunter are still thawing out after their snow trip and they will be out of hibernation soon.

John has one buckled wheel and many spare parts.

Recently the quote of the week came from Wally who said: "I ain't emptying any of those".

Get a haircut at Mick's Harold.

Johnny M. is still collecting sea snails and going out with farmers and learning rock numbers.

Who borrowed some money from the Record Bar recently?

Anyone we know? Was Harry stranded in Sydney or couldn't he afford a postcard?

Roy and the KIWI's were elated with Bulldogs win last weekend.

Ian and Eddie are very keen on photography and collecting addresses.

Steve leaving Footscray Tech. Can it be that there are not enough demonstrations there?

Thank goodness the footy season is over, says John.

Plenty of record specials at Jan's. Like the "Explosive Hits" album and the three-record set of the "Woodstock" sound-track.

Good party at Terry's.

### Altona's Musical Vehicle

Altona is still producing pop groups, big and small.

Lorraine reports that the newest find is a group called The Vehicle and you will be hearing them soon.

Meanwhile local musicians Wayne Ford and Steve Janicki are playing in Melbourne productions of "Hair in their own group, The Speaking Eye.

And Theo Dellemyn is playing with two groups.

Gerry (ex-Unkowns) is reputed to be shifting to the Tasmanian scene.

And Dino wants to sell his drums.

### Bargains At Record Bar

Don't forget that if there are any records you need, Jan Davis of the Record Bar in Railway Street can get them for you.

These include the three-record set of the "Woodstock" sound track and the "20 Explosive Hits" album.

ALTONA HUMBLE GEORGE CROSS

State League side George Cross, who on Sunday will play in the first game to be televised by GTV 9, came a "cropper" at Kim Reserve where the local City side gave them a soccer lesson.

Boy! did the Maroons turn it on. The whole team clicked to hand out a 3-1 drubbing to the Cross team.

Spectators were speculating as to who the new centre forward was in the Altona lineup. He is none other than Ian Reid, one of the top players in Australia. Ian is more than keen to become an Altona player. He is at present signed with George Cross and his two goals on Sunday show he is a valuable asset to a team that has promotion in mind.

Ian Hynes, who has been playing with an ankle injury, came back to his best. Balish, Copley and Milloy were terriers and Herman and Keane linked together well and Jimmy Ackers showed he is fit after a serious knee injury.

King and Stankowski went well on the wings and Savage always seemed to have plenty of room to work and his understanding with Reid was uncanny and with any sort of luck at all both could have scored more goals.

Ian Roberts in the Altona goal rose to the occasion and defied the big guns in the Cross attack in their efforts to try and reduce the leeway.

ALTONA PAY THE PENALTY

Altona City found out with much regret you can't afford to miss penalty kicks. Leading Prahran by 1 goal to nil after Herman had scored a brilliant goal from a centre by Billy Savage, Savage, five minutes later, was upended inside the box. Billy took the spot kick and shot it straight into the keeper's arms.

On the small ground Altona played like champions for 10 minutes then lapsed into the slow midfield game that achieved nothing and Prahran got off the hook and in one lightning raid scored the equaliser.

In the second half Prahran showed how easy it was to score when the Altona defence was badly at fault being flat-footed.

Jimmy Ackers was brought into the attack but it was too late. Altona could not get past a now jubilant Prahran defence that crashed the ball out anywhere.

Balish and Hynes had long range efforts which were well saved by the keeper and another game was lost to Altona who will definitely have to tighten up on things for this week's visit by Preston who are right in line for promotion.

Altona Cricket Club

Annual Meeting

The 9th Annual Meeting was held at the Homestead on Sunday, August 30, at which honorary office-bearers and committee members for the forthcoming season of 1970-71 were elected.

Whilst the attendance was relatively poor for a club of this size, the incoming committee, with its combination of old and new blood, is looking forward to improved numbers at all future functions. To this aim the committee will indeed be working.

Annual Report

All members present at the Annual Meeting were provided with a copy of the annual report which once again has been submitted in a most commendable form.

This report is one which the members may well feel justly proud and the thanks of the club members must go to the Committee and also to all business houses which subscribed toward the costs of this report.

Council Representation

It was reassuring to note the continued interest and support shown by local Council in its being represented at the meeting by Cr. Doug Grant. Such support will surely further consolidate the excellent relationship which has existed in the past between these two bodies and make possible the advancement to greater achievements in the ensuing years.

New Coach Appointed

The meeting was addressed by the recently appointed coach, Mr. Ken Hansen (formerly of the Yarraville Cricket Club). It is anticipated that Ken's progressive approach to his duties will serve toward improving the already proud name of Altona — both on and off the cricket field at senior or junior levels.

New Players

Several new players have been recruited and cordially welcomed.

As the club will, in addition to conducting an under age junior competition be entering three turf sides in the VJCA competition and a further turf team in the local WAFDCA competition, plenty of good standard cricket appears to be assured to all desirous of playing and taking part in practice and club activities.

Practice Arrangements

Official pre-season practice sessions have been organised for Tuesday and Thursday afternoons, commencing at 4.30 p.m. and Sunday mornings at 10 a.m. The first session started on Tuesday. All members, both current and new are invited to attend.

Don't forget, practice makes perfect and as the impending first week in October there is not a great deal of time available in which to get the muscles loosened up and the eye in.

West Newport Out — W.S.F.L. Prelim. Final

By WARDEN JAMES

West Newport, one of the top fancies for this year's Western Suburban League Open Age premierships pennant, were knocked out of the running by a determined, fanatical Central Altona side last Saturday.

Centrals, considered outsiders in fourth position before the finals series commenced, have emerged as real "giant killers" beating Newport and West Newport over the past three weeks.

Saturday's result reversed three previous losses against West Newport suffered by Centrals this season, but perhaps helped to wipe out the memory of last year's loss in the grand final replay.

Centrals led from the first bounce to win a hard hitting game by 20 points and earn the right to meet Altona in the grand final next Saturday.

In another surprise result in Under 18, Newport, who had a change of coaches through the year, also took the points against West Newport's Under 18 side.

Newport will meet Altona A in the grand final next Sunday.

Inspiration behind Centrals win came from first year coach Ken Collins, who dominated the centre in the first half.

Although he copped a nasty leg injury and had to be moved in the third quarter, Collins had set the pattern for the rest of his players.

Both sides had good quarters in the first half when kicking against the wind.

West Newport kicked 2.2 to Centrals' 3.3 against the wind in the first quarter, but then couldn't capitalise on their good efforts when they had use of the breeze in the second term.

West led by a point at half time, after an all-in brawl from which West's Don Brown-Kerr had been reported had marred the second quarter, but they did not regain the lead for the rest of the match.

Centrals piled on 4.2 in the third quarter to go to a nine point lead at three quarter time and then ran right away with the match in the final quarter.

Centre half forward Ron Smutney, who had been a thorn in West's side all day, repeated his first semi final effort of handballing 20 yards to full forward Colin Peatling in the goal square and he turned round for the easiest of goals to seal the match.

One of the highlights of the match was the duel between Bill Kennedy (Centrals) and Jim Langan (West) on the wing.

Langan, a previous WSFL best and fairest winner, gave his side a lot of drive as did Kennedy and the pair finished about even at the end of the match.

Overall Centrals took the points because of their greater fitness and because they were freshened up after a weeks rest.

One of West's big guns, Alan Bottomley, who did not play in the second semi final because of a broken toe, was not as effective as usual (although one of the sides best) and this also contributed to West's loss.

Centrals will go into the grand final with a full list to choose from. Only player under a cloud is Murray Sayers, who suffered a broken nose last Saturday.

In Under 18 Newport showed a lot more tenacity and

Indoor Bowls Titles Held At A.W.M.C.

Sunday was a historic day for the Australian Indoor Bowls Association with the first Australian championships in the pleasant atmosphere of the Altona Working Men's Club.

Forty players from NSW and Victoria lined up at the eight carpets for the chance of being the inaugural Australian Champions.

NSW players won four of the six events.

Victorians won the Men's Singles title and the Ladies Doubles.

Altona Working Men's Club was represented by two players in the State team, Austin Molloy and Joyce Yates.

Austin and team-mate Bill Newman were narrowly defeated in the Gent's Doubles by the two who became the Australian Doubles Champions for 1970.

Joyce skipped the Victorian Ladies team which was defeated by the visitors.

Next year's championship

will be played on August 28 and 29 in Sydney when players in this rapidly expanding sport are expected from Victoria, NSW, South Australia and Queensland.

Results of the national titles are:—

TWENTY-THIRD SCHEDULE  
**CITY OF ALTONA**

**NOTICE REQUIRING PAYMENT OF RATES AND INTEREST UNDER THE LOCAL GOVERNMENT ACT 1958**

To the several registered proprietors or owners or persons appearing by the last memorial of registration in the office of the Registrar-General to be owners respectively of the several pieces of land described in the fifth column of the Schedule hereto and persons appearing in the Register Book or by memorial of registration in the office of the Registrar-General to have respectively an estate or interest in such land, and whose names appear in the first column of the said Schedule.

**TAKE NOTICE THAT:**

1. Default has been made in the payment to the municipality above named of a rate charged on the several pieces of land described in the fifth column of the Schedule hereto, and such default has continued in respect of each separate piece of land since the date in the second column of the Schedule hereto set opposite the description of such piece of land;

2. The total amount owing to the municipality in respect of rates charged on each piece of land in the third column of the Schedule hereto set opposite the description of such piece of land; and the amount owing for interest thereon up to the date of this notice is as stated in the fourth column of the Schedule hereto;

3. Payment of these amounts is hereby required; and

4. In default of payment thereof together with interest at the rate of Eight per centum per annum on the amounts mentioned in the third column of the Schedule hereto in respect of each piece of land to the time of payment the said several pieces of land will be offered for sale by public auction after the expiration of three months from the date hereof at a time appointed by the council of the municipality.

The pieces of land in respect of which the rates and interest specified in the third and fourth columns respectively of the Schedule hereto are owing are those severally described in the fifth column of the said Schedule and set opposite the respective amounts so specified.

Dated the FIFTH (5th) day of SEPTEMBER, 1970.

JAMES W. WATERS,  
Municipal Clerk.

**ALTONA HOCKEY CLUB**

**A GRADE HOCKEY TEAM DOWN**

Altona were narrowly defeated 1-0 by Power House at Grant Reserve last Saturday.

Power House had to win to reach the finals and the locals were trying to end the season with a win. The stage was thus set for a great game, but this was not to be.

Altona matched Power House in most departments of the game but broke down in front of goals. Only another great display of goal-keeping by Bob Verity kept Power House at bay and a drawn game would have been a fairer result.

The A Grade side is to be congratulated for achieving what no other Altona hockey team has been able to do for more than 30 years - that is to reach top grade, hockey and stay there.

The constant training has been made worthwhile and the experience gained should ensure that Altona will be represented in top grade for years to come.

**D Grade defeated University, 3-2.**

D Grade, who fought back well from the relegation zone midway through the season, had a good win to finish the season.

University started well and despite great defensive play by Pat Shields and Greg Richardson they led 2-1 at half-time.

There was a strong suspicion that University had "rung in" some C Grade players and Altona did very well to fight back and score two goals in the second half to take out the game.

Goals: R. Pratt, G. Studley, R. Erickson.

**CLUB NOTES**

General Meeting this Thursday at 8 p.m. in the club-rooms.

A paper and bottle drive will be held next Sunday (September 6) at 10 a.m. It would be very encouraging if every club member went along to help. Trailers are required.

Tickets are available to members who would like to make up parties for the Presentation Night. Please contact Eric Symons on 398-1513.

Time and location of C and E Grade final matches will be displayed in Frank's Men's Wear Store on Friday and Saturday morning.
